

VOTE FOR PAT

TEEN CHOICE AWARDS! and Energizer Keep Going Award!

Your vote will make a difference!

Hi, It's Pat from Driving For Donors!

I need your votes for these 2 awards. To me it's about more than winning a contest, it's about **saving lives!** I have registered over 10,000 new marrow donors and helped find 4 life saving matches for people in need! The more people that hear about my work and register as marrow donors the more lives we can save!

I need the help of adults and kids too! Can you please take a minute to vote and pass this on to everyone you know so they can help me as well!

Teen Choice / Do Something Award voting is for kids of ALL Ages. Click on the Do Something link below (under the Teen Choice 2008 banner) and enter a birthyear between 1990 and 1994. This will let you in to the Teen Choice site. Don't forget to forward this to your kids and ask them to vote too! If I'm the top vote getter, I'll be on the **TEEN CHOICE AWARDS (with Miley Cyrus)** and receive \$100,000 for Driving for Donors! That can save a lot of lives!

Vote every day until August 1st!
